Chairman's Message

For many issues it has been my pleasure to speak to you through this column.

It has always been my feeling that the Chairman of a Club should maintain close contact with members. Personal contact in a Club this size is not always possible, and that is one of the reasons this column came into existence.

It has been my privilege during my tenure of office to make the personal acquaintance of almost all of you, and these are acquaintances I value highly, and will always value.

The time has come, however, when I have decided that the office of Chairman should pass to another.

In leaving the chair, I wish to express my thanks to you all for the co-operation and goodwill you have afforded me throughout my term. My thanks also go to the Club staff, without whose loyalty and support the services of the Club would not have attained the high standard which prevails today.

May Tattersall's Club continue to prosper, and may the high degree of sportsmanship which it has been my pleasure to witness be maintained and continue to stand as a shining example to the community at large.

WELCOME VISITOR FROM HONG KONG

It was very nice indeed to have as a visitor in the Club last month Charles Greaves, who was down here from Hong Kong on a three weeks' business trip. He was the guest of his old friend Bill Sellen, with whom he was in the army at Darwin during the war. Charles had plenty of reminiscences to exchange with Bill, as he also did with another old friend, Claude Moore, whom he knew from the old days of the Moorefield racecourse. In those times Charlie was caterer for the course, as many of our senior members will recall.

Charles, who is presently Managing Director of his own trading company in Hong Kong, tells us that he now has a horse which he races in that city, and of which he has high hopes. He has called it Miss Reading, after the famous Reading, which Charles owned in partnership with Gordon Luscombe in the days before he left Sydney in 1945. Miss Reading is going great guns at the present time, and her record to date is two firsts, three seconds, and four thirds from nine starts. No wonder Charles is so confident of her future as a champion.

It was nice to have you with us, Charles. Even though Hong Kong is a long way away, we hope it won't be long before you're down again for a visit to renew old friendships.

NEWS OF PAT PORTER

News of Pat Porter's progress on the round-the-world trip came to us per postcard sent by Pat himself from Hawaii late last month. Pat's message was most cryptic, but, from what he *did* say, and from news we have gleaned from other sources, we understand he is enjoying himself immensely, and is very much looking forward to the rest of his tour.

One thing he made plain, however, was that we pass on greetings to all his friends in the Club, which, Pat, they all heartily reciprocate.

KEN FIDDEN, Jr., PLAYS 150th UNION GAME

"Veteran" Rugby Union player, Ken Fidden, Jr., son of Committeeman Ken Fidden, chalked up a record held by only a very few of his ilk when he played his 150th first grade game the other day. Ken is a member of St. George, and each of his 150 games has been played for that Club.

Hearty congratulations, Ken. We sincerely hope to see you play many, many more of your sparkling games for the Club which you have supported so admirably for so long.

FRANK ECONOMUS IN NICE

From Nice last month came a very colourful postcard bearing the signature of Frank Economus. Frank was currently there en route to other places on his trip round the world. He said he was having the time of his life, and is so carried away with travel that he is trying to talk his friends into a trip by each mail.

Nice to know you are having such a good time, Frank. Keep up the good "work," and hope it won't be too long before we see you back in the Club again.

GOOD HOUSEKEEPING

Members will recall from one of our earlier paragraphs that there had been some suggestions that the all-over carpet in the bar on the first floor would suffer damage at the hands of the careless in the form of burns from cigarette butts, stains from spilled drinks, etc. This was contrary to the belief of your Committee, who had perfect confidence in the carefulness and cleanliness of Tattersall's members and their guests.

Well, the carpet has been down for just on two months now, and its state of preservation is such as to bear out that confidence of the Committee. There isn't a cigarette burn to be seen nor a stain visible — a state of affairs on which members should be congratulated.

CLYDE CHAPPLE RETURNS FROM TRIP

It was nice to see Clyde Chapple back in the Club again after his trip to Japan. He was looking even healthier than ever, and told us he had a wonderful time, and can thoroughly recommend the trip to the Orient to anyone who wants a really interesting and relaxing vacation. He agrees with most members who have gone that way before him in saying that there is plenty of magnificent scenery, and that the trip holds a world of interest.

A. A. MACPHERSON MADE LIFE MEMBER OF TENNIS BODY

We are pleased indeed to report that member A. A. MacPherson was made a life member of the New South Wales Hardcourt Tennis Association last month. Mr. MacPherson has carried out outstanding and unselfish work for the sport of tennis generally over the years, and the honour bestowed upon him is a just reward for his efforts.

He has been Vice-President of the above body for the past 25 years. He was elected Senior Vice-President in 1956, and has held that office without interruption since that date. As a member of the Grand Council he has actively served on several of the Standing Committees for a number of years, and has been Chairman and Convener of the Appeals Committee since 1941.

He was elected as a member of the Council of the N.S.W.L.T.A. representing the Hardcourt Association in 1951, and has been active on it and several of its Committees ever since. For the Davis Cup Challenge Rounds in 1954 and 1960 he was Chairman of the Stands Committee, and was Vice-Chairman of the Board of Management for several years.

President of the Balmain Association for a quarter of a century, donor of the "A. A. MacPherson Cup," a perpetual trophy for the Men's Metropolitan Hardcourt Singles Championship, Mr. MacPherson has rendered signal service to the game and to the N.S.W. Hardcourt Tennis Association since its inauguration in 1924.

A very enviable record, and one of which he can feel very justly proud.

Your fellow members at Tattersall's take this opportunity of congratulating you, Mr. MacPherson, and wish you every success in your association with the sport in the future.

DAVID AND Mrs. ALEXANDER CELEBRATE GOLDEN WEDDING

Hearty congratulations to member David Alexander and Mrs. Alexander on the occasion of their golden wedding anniversary. This they celebrated on the 27th of last month, and there were many friends to wish them well on this very happy day. Your friends in the Club add their good wishes, and wish you many more happy anniversaries for the future.

ATTENTION G.P.O.

Doug Webster got home the other day to find a telegram waiting for him. He did what most of us do under the circumstances. He turned it over apprehensively, and wondered just what it could be about. However, he was immediately relieved when he saw the word "Greetings" in large type all over it.

"This," he thought happily, "can be nothing but good news." And, with visions of being advised of a lottery win or some such welcome intelligence in mind, he proceeded to read its contents.

It was to advise him that seven shops he owned in New Zealand had been burned down.

CONGRATULATIONS, DES COLLINS

Hearty congratulations to Des Collins on his appointment as Manager of the Tenpin Bowling Centre, Hurstville. Des, who has been in the entertainment business for most of his working life, saw the opportunity which offered when the sport of tenpin bowling, long a favourite pastime in the United States, came to Australia. At that time he joined the Centre as Assistant Manager, and worked in that capacity until his promotion last month.

Des is carried away with bowling, and, incidentally, says that he will be pleased indeed to see any Tattersall's members out at the Centre, where he assures them of "royal" treatment. If any members are going out, we've found from experience that it's a good idea to ring Des first, to be sure of a booking. Congratulations, Des, and good luck for the future in your new position.

REG DOWNING TO APPEAR BEFORE PRIVY COUNCIL

Seen off at Mascot by his racing partner, Aidan Devereux, Attorney-General Reg Downing left late last month for England, where he is to appear before the Privy Council. The matter in question is, of course, the much-publicised appeal by the States of Queensland and Victoria against licensing of hotels. Although N.S.W. is not involved, they would be subject to the return of all fees paid for some years back if the appeal were upheld, and so Reg Downing is appearing for our State.

The Attorney-General is a keen racing man, as most members know, and races Dark Night, Shy Prince and many other horses in partnership with Aidan Devereux, who will be keeping an eye on their joint interests during the Attorney-General's absence.

GUS PFAFFLIN COMES TO TOWN

Good news for his friends is that Gus Pfaflin, long a resident of the Riverina district, but very well known in Tattersall's, nevertheless, is coming back to Sydney on a permanent basis. Gus is taking up an executive position with the well-known wine firm of Thomas Hardy and Son. This will be something of a change for him, for during his 30 years down south he has been in the oil and general agency business.

With his return to the city our Club Bowling Section will no doubt become richer by one member, for Gus is a keen bowler, and is a member and Committeeman of the Jondaryn Club in Griffith. He has been on the Committee for 21 years, and is a past President of the Club.

Nice to know you are going to be with us for good, Gus, and your many friends in Tattersall's offer both you and Mrs. Pfaflin a very warm welcome back to the city. Their only warning to you is to watch out for the occupational hazards associated with your new job.

ADOLPH BASSER'S WORLD TOUR UNDER WAY

News has been coming to us from all quarters on Adolph Basser's progress on his world tour, including a postcard from Adolph himself. It bore a New York postmark, and left no doubt that he was having a wonderful time. Adolph said that he had not been to any race meetings in America, but hoped to see some before he left for England, where, in turn, he was looking forward to seeing the English Derby and attending Royal Ascot. In the card he sent his very best wishes to all his friends at the Club, and wished them good health.

From another quarter we heard that Adolph had had considerable success at deck quoits on the *Orsova* on the way over. He played with remarkable accuracy (characteristic, as member Clyde Chapple remarked when he heard of it, of our Double Bay bowlers) to take out the title in the gentlemen's singles. According to one well-seasoned sea traveller, he had never seen better quoits played before. With no less dexterity, but in a different direction, Adolph had similar success in the ship's bridge games.

It is nice to know that your trip is proving so pleasurable, Adolph, and members reciprocate heartily the good wishes you sent them through the mail. May the rest of your trip be just as successful.

o o o

SALUTE TO THE MIGHTY TULLOCH

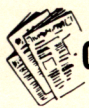

We venture the opinion that there was not one true horse lover, sportsman and follower of the sport of kings who didn't receive a terrific thrill last month when Tulloch, mighty monarch of the Australian turf, chalked up the win which gave him the greatest Australian-won stake figure in history. He passed the £100,000 mark with a little over £300 to spare when he won the Pullman Stakes in Adelaide on the 29th April. His effort in achieving this record was made even more remarkable and meritorious when it is considered that he had two years carved out of his colourful racing career by an illness which it was feared at one time would put finish to any further racing for him. The record was a real tribute to the fighting heart and courage of a horse who won the unqualified admiration, not only of racegoers and race followers, but of people in all walks of life.

Your fellow Club members would like to offer their congratulations to you, Mr. Haley, on the efforts of your very remarkable champion.

o o o

CHAIRMAN BACK IN CLUB

It was very nice indeed to see our Chairman back in the Club late last month, looking healthy and very much his old self again after his recent sea trip. All members wish you a happy return, Mr. Hickey, not only to the Club, but to good health again.

BIG TIP—NO CHAMPAGNE

Cliff Graves, doyen of racing journalists, has been associated with the Sport of Kings and Tattersall's for so long that it's no wonder you can depend on him for an interesting anecdote every now and then. The one we like particularly concerns one of our luncheons out at the course.

It appears that Cliff, very appreciative of the service he had been getting in the past from the stewards, felt a small monetary reward was in order. Not wishing to make a "big deal" out of the gesture, he pushed his hand with the ten-bob note in it around the back of his chair as the waiter was serving. After the usual fumbling he felt the note deftly whisked away.

From there on, Cliff sadly relates, the fellow next door to him never got better service in his life.

EASTERN SUBURBS RESIDENTS, AH-OY!

Member Ron Plater, who is Woolahra District Chairman for the institution mentioned below, is saddled with the difficult task of finding over 200 public-spirited volunteers to go door-knocking between the hours of 6.30 and 8.30 p.m. on Sunday, May 28.

Their job will be to help raise money for the National Heart Campaign's "Operation Heartbeat," a worthy project if there ever was one.

Any member who feels as though he would like to help Ron out can ring him at BX 1927. Go to it, Eastern Suburbanites!

ANZAC DAY IN CLUB

As usual, this year many of our ex-servicemen members celebrated "The One Day of the Year" in the Club on the 25th April. The Clubroom on the first floor was prepared, as usual, with tables, and snacks were provided. A very hearty atmosphere prevailed, and many reminiscences were exchanged and many battles re-fought. However, the party reached its climax when the bar was opened and Anzacs from both world wars trooped in to celebrate further.

Unfortunately, some had to depart to re-unions during the afternoon, but there were still many left to carry on the good work, and several parties went up to the fourth floor to pre-arranged dinner parties. Altogether a very successful Anzac Day celebration.

CONGRATULATIONS, LAURIE MORGAN

We are proud indeed to number amongst our members here at Tattersall's world-famous horseman, Laurie Morgan, whose latest victory in equestrian events was the winning of the three-day Badminton Championship Horse Trials in England, where he is waiting the expiration of quarantine on his horses before returning to our shores. Laurie won the event on his now internationally renowned horse, Salad Days II, and was presented with his trophy by none other than Her Majesty the Queen.

To say that Laurie Morgan has won the admiration of the world for his prowess is to understate the case. Writing in the English "Sporting Life" last month, David Hedges had this to say of him:

"It is no exaggeration to say that Mr. Morgan is one of the best horsemen in the world. An Olympic gold medal alone is sufficient justification.

"But when you add Mr. Morgan's prowess on the polo field, his remarkable riding record over fences in England, and his ability to conjure the best out of horses with which other people have failed, you have a picture of a man of prodigious skill."

A great tribute to one who, though he never had a formal riding lesson in his life up to the time of his preparation for the dressage events overseas, has developed such a skill in both riding, preparing and training horses that he is now a household word in equestrian circles.

Our hearty congratulations to Mr. Laurie Morgan, not only on his recent victory, but on the outstanding ability which has brought such fame to Australian horsemanship.

ALF COLLINS MISSES A WINNER

Committeeman Alf Collins doesn't miss too many winners these days, but he tells the story of missing one very badly when he was on a trip to America some time back. During his trip he visited the Bay Meadows Racing Club, and made himself known to the Secretary there, who, upon hearing that Alf was from "Down Under," told him that there was a fellow he would probably know at the course.

When he took Alf round to introduce him, it turned out that the fellow was none other than Dave Davis, a very old friend of Alf's and, of course, owner of our mighty Phar Lap.

The re-union was a very happy one, and Dave invited Alf to see the races from his private box. When they'd settled down, Dave told Alf that he had a horse running called Maori Lad, but it didn't have a ghost of a chance of winning. However, he went on, he had had five dollars on it just for sentiment's sake. He also told Alf that he hadn't had a winner since Phar Lap died.

Well, the race got under way, and Maori Lad won by streets. However, Alf wasn't too disappointed, as, even though he didn't have a cent on it, at least he was there when his old friend got his first winner since Phar Lap.

LES HARRISON CONVALESCES

Further to our recent paragraph regarding Les Harrison's operation for the removal of a cyst from his arm, we're now happy to report that Les is back in the Club again as large as life. When he spoke to us, he'd just returned from a very pleasant convalescence down Pittwater way. While there he did some very successful fishing and, although he didn't land any record-breakers himself, his companion, Jack Brown, gaffed a 43-pound groper on one of their outings.

Nice to see you back in the Club, Les, and also to know that the operation was a success.

A LIMP FOR MANNY LYONS

The limp you may have noticed in Manny Lyons' gait last month was occasioned by a rather nasty fall he took. The result was that he hurt his hip rather badly, though fortunately not seriously, and his usually spritely walk was impaired a little. We hope that by the time this paragraph is in print, Manny, your hip will be completely right again, and you'll be "running" about as always.

RE-DEFINING THE PERFECT CLUB SECRETARY

Since our paragraph on the above subject, several members have given their versions of the "Perfect Club Secretary." However, the one we liked best was that recently published in the "Trumpet Call," and which one of our members sent in suggesting we might like to publish it. Here it is:

The Club Secretary must be a Democrat, an Autocrat, an Acrobat and a Doormat. He must be able to entertain Prime Ministers, Pickpockets, Pirates, Philanthropists and the Police—and be on both sides of the "Political Fence," a Footballer, Golfer, Bowler, Tennis Player, Dart Champion and Pigeon Fancier. As he has to settle arguments, he must be a qualified Boxer, Wrestler, Weight Lifter, Sprinter and a Peacemaker.

He must always look immaculate — when drinking with Bankers, Swankers, Commercial Travellers and Company Representatives.

To be a success—he must keep the bars full, the house full, the tanks and the storeroom full, the customers full, and not get full himself.

He must have barmen who are clean, honest, quick workers and thinkers, non-drinkers, mathematicians, technicians, and at all times be on the boss's side, the customer's side—and stay on the inside of the bar. It is said that he home-wrecks, takes weekly wage cheques; in other words, saturates, confiscates, deteriorates and propagates.

To sum up, he must be outside, inside, offside, glorified, sanctified, crucified, stupefied, cross-eyed—and, if he is not the strong silent type, there's suicide.

M. O'SULLIVAN, A. G. COLLINS APPOINTED R.L. CLUB EXECUTIVES

Congratulations to Committeeman Alf Collins and Maurice O'Sullivan, who were appointed to the Executive of the Eastern Suburbs Rugby Leagues Club. This is a newly formed Club, and it has taken over an hotel at Bondi Junction which will be re-modelled for the Club premises. Maurice has been named Chairman and Alf is a Director.

Both of these members have been keen followers of Rugby League for many years, and have the interests of the game at heart. Their appointments were, therefore, most fitting, and we are sure that most Tattersall's members will agree that the Eastern Suburbs Club couldn't have picked two better men for their Executive.

TOO MANY "WOOL BALES" FOR FIELDER

Member Frank Roberts told us of an incident that he witnessed at Randwick that should raise a smile. He was standing behind an ardent punter, who, from the width of his hat brim and various other signs, was obviously a grazier, and who was doing his best to get the fielder to increase the odds on Wenona Girl

from five to two on to nine to four on. After a fair amount of verbal persuasion, the fielder finally agreed, and the grazier got set for £900 to £400 on. As soon as he got laid, he said:

"Now, what about £9,000 to £4,000?"

"No," said the fielder emphatically, "Too many wool bales for me."

NOT BIG ENOUGH FOR HIS BREECHES

Norman Elson, a member well known to many as manager of the Robin Hood Hotel, received something of a rude shock the other day. On putting on a pair of shorts fresh from the wash, he was forced into the alarming conclusion that he had drastically lost weight, and frighteningly suddenly into the bargain, for the garment in question fitted him nowhere, as the saying goes.

However, a little reflection and a careful examination resolved the problem, and Norman found that, through a mix-up in the laundry, he had received a pair of shorts belonging to Ted Wales, who, of course, is licensee of the Robin Hood.

Norm says it's no reflection on Ted, but he certainly was relieved to find that he wasn't quite *that* big around the middle.

Family dynasty's romantic wins in James Barnes Plate

By Cliff Graves of the "Daily Telegraph"

Although the James Barnes Stakes is run in the "off season" between autumn and the lucrative Queensland winter carnivals, it is a race rich in prestige.

Prestige was never higher than when the Grand Old Man of Tattersall's Club, the late Mr. James Barnes, founded an unusual dynasty by winning races with a mother and foal which he himself bred.

The family tradition was maintained when the wife of a grandson of Mr. James Barnes shared in the success of Polo Prince in last year's contest.

The late Mr. James Barnes raised a few thoroughbreds at a property he had established at Boorowa. The spot has been made famous since by the J. W. Kelly Stud, Newhaven Park, where one of the foremost Australian stallions, Wilkes, stands, and where crack fillies Wenona Girl and Emblem were bred, and a yearling brother to these by Wilkes from Golden Chariot from the same stud brought 6,500 guineas last Easter.

One of the early produce of Mr. Barnes' breeding at Boorowa was a filly foal he named Mothers' Day. It was a curious coincidence that Mr. Barnes' colours dove tailed in with the distinction afforded to Mothers' Day. They were "all white."

It was a further coincidence that Mothers' Day won her first race at Canterbury on the Saturday preceding the Sunday when Mothers' Day was celebrated throughout the length and breadth of Australia.

Punters, their mothers, wives, and sweethearts, plastered Mothers' Day in the betting, despite the fact that her form had not been that good. But she didn't let them down, and wore her "all white" clear of the field as they came down the straight. That day Mr. Barnes, Chairman of Tattersall's Club and of the N.S.W. Trotting Club, was the happiest man in Christendom. He laughed, shook hands with hundreds, and his pointed beard wagged with delight for all the rest of the happy afternoon.

A Committeeman of Tattersall's Club for more than 30 years, Mr. Barnes was Chairman for 13 years, from 1916 to 1929, and this embraced the period of the change-over from Pitt Street to the present Elizabeth Street premises.

Mothers' Day's win was only the start of the breeding dynasty for James Barnes. From Mothers' Day he bred a colt by Satelles which he named Satmoth, and he proved a very useful stayer over middle distances. He gained a crowning triumph for the family when he won Tattersall's Cup at Randwick on New Year's Day, 1934.

New generations have come along and, on May 14, 1960, Mrs. A. Barnes shared in success with Polo Prince in the James Barnes Plate. Her husband is Mr. A. Barnes, a grandson of the sportsman after whom the race is named, while her partner is a popular owner, Mr. W. J. Bradshaw, owner of a recent Randwick winner, Cherry Laurel. The trainer was Stan Lamond, a member of Tattersall's Club since 1922. Ridden by Neville Sellwood, Polo Prince won by a short head from Compass. Stan Lamond tells of a previous occasion when he tried to win the James Barnes with First Century, owned by the late Mr. Pat Osborne, for many years Vice-Chairman of the A.J.C. There was an old and trusted association between him and Tatter-

sall's Chairman, Mr. Barnes, and he had been his nominator for membership to the A.J.C. years before. Hence Stan Lamond's eagerness to win the James Barnes Plate for Mr. Pat Osborne.

There was a little interference, and First Century was narrowly beaten by Electro. The jockey, Ray Selkrig, entered a protest, but as soon as Mr. Lamond arrived on the scene he withdrew the objection. He knew that the Osborne's would least desire to win the race on protest.

Tattersall's Club has an excellent entry for this year's James Barnes Plate at Randwick on May 13, worth £1,575. Stakes total £8,085, making it an excellent programme for a winter's day at Randwick.

MANICURIST AT YOUR SERVICE

Mrs. Olive Bragg, an experienced gentlemen's manicurist, late of The Australia Hotel, will be in attendance in the Barber Shop on the first floor three days a week. Times and hours are: Monday, Thursday and Friday, from 9.30 a.m. to 5.00 p.m. Appointments are optional, and all members are welcome.

Man of the Month

JOHN HICKEY

Our Chairman

A leading solicitor and a very highly respected member of the legal profession, we here at Tattersall's know John Hickey better for what he has been to us over the last twelve years: our esteemed leader and Chairman. Thirty-one years a member of Tattersall's, he has been a Committeeman for 22 of these, and has been Chairman since 1949. In this long and productive association with us, he has done much to foster all the sports sponsored by the Club and, under his guidance, it has made a great deal of progress in the post-war years. On this, the eve of his retirement as Chairman, it is most fitting that he fill the place as our "Man of the Month," for none deserves the title more, and few deserve it as much.

John Hickey was born in the N.S.W. country town of Quirindi. His father was a contractor in that town, and John was one of the four boys in the family.

His early education was gained in Quirindi, but he came to Sydney for his secondary schooling, and went to the well-known college of Christian Brothers at Waverley when he was 15. He preceded his family to the city, and they came down one year later to settle here.

While at school John played all sports, but his interest in his studies and his desire to further his career took up most of his spare time and, in consequence, he did not excel at any particular one.

He completed his schooling with a Law Matriculation, and then became articled to a city law firm. There he worked hard, continued with his studies at night and, in due course, became a solicitor. As such he worked for several firms until he decided to go out on his own at the age of 30.

In his own practice he was an immediate success, and was soon firmly established. Many cases came his way over the years, many of them spectacular, but none more so than the Field divorce case. This, as many of our senior members will recall, lasted nearly 80 days, a record for a divorce case by a wide margin.

After returning from the war, John's son, John Junior, also decided on law as a career. He studied during the post-war years and, after being admitted to practice, his father took him into partnership in 1950.

This partnership continued for 10 years, and then John Hickey, Junior, decided to become a barrister. That was only a little over 12 months ago, and now our Chairman has gone into partnership with K. D. Manion, a life-long friend and a fellow-student in law.

After John's initial establishment as a solicitor, he was able to find more time for sport than he had previously. He took up golf, and was Secretary of Tattersall's Golf Club until it disbanded during the war. He was also Captain of Moore Park, a course where he had the enviable experience of holing in one. This performance has never been repeated on that particular hole, for it stood then on the present site of the Marks athletic field, and was torn up soon after.

John married in 1919, and he and Mrs. Hickey have had two children. John Hickey, Junior, mentioned above, who has been a well-known member of Tattersall's for some years, and who is now rapidly establishing himself as a barrister; and a daughter, Dympna.

Dympna has made John a grandfather ten times over with the large family of eight boys and two girls, and nothing pleases John more than to get away to spend some time with them. Dympna married a school teacher and, unfortunately for John, is presently living in Wardell, a country town near Casino.

Today John and Mrs. Hickey live quietly in their home of 30 years' standing at Bondi. John's practice keeps him pretty busy, and he doesn't have much time for hobbies, although, when his legal duties permit, he likes to relax with a good book. Perhaps now in his retirement from the Club's executive affairs, John will be able to devote some of the considerable time he has given to us over the post-war years in enjoying more very well-earned leisure.

McLelland Pips Lindsay for Points Score

KAY AND ROGERS BATTLE FOR "NATIVE SON"

Big items from the Swimming Pool during the month were the well-deserved victory in the Point Score by Alec McLelland and the terrific battle which has developed between Sid Kay and Norm Rogers for Bill Kirwan's "Native Son" trophy for most points scored during the season.

Alec has been improving ever since he started racing this season, and crowned his efforts by his Point Score win, though it was touch and go for him, as Peter Lindsay came with a wet sail and only failed by half a point to bring home the bacon, after being four and a half points behind up to the last race of the series.

With only little more than a couple of months before the season ends, the interest in the battle for the "Native Son" trophy grows every week.

Sid Kay has been in the lead for a long time, but, at time of writing, consistent back-marker Norm Rogers was only a point behind. Jim Comans holds his third place, but Harry Bate is only half a point behind him in fourth place.

Bruce Cameron has moved up from ninth to fifth, and Les Bear from seventh to sixth, whilst Max Sernack has dropped back a couple of places, and is now a point astern of brother Sid.

We tipped, last month, that this might happen, and Sid is going really well.

In the current Point Score, Harry Bate is a point ahead of Ralph Corrick, who, aided by an extra second, is coming to the fore.

It is good to see Bob Harris striking form and, in his last five races, he has won two finals and been second and third in others.

Congratulations to Club Champion David Emanuel on the presentation to him by his charming wife of a daughter!

Whilst on the subject of congratulations, here are some to Arthur McCamley on his win with Ramazan at Randwick. The cry used to go up when Arthur was fighting out a finish, "Come on Battle Step," but they'll soon be substituting the name of Ramazan. Good luck, Arthur!

Good to see Bill Sellen, Geoff Shaw, Bill Mackenzie, Leigh Bowes and Bill Phillips in action again in recent races.

The same goes for "Bob" Adams, one of whose re-appearances resulted in a good heat win and a second in a final.

Welcome new members are Dave Keating, son of one of the Pool's frequent visitors for many years, Adrian Brown and Arthur O'Connor.

It has not taken Arthur long since his election as a member to find his way into the Pool races, and he reckons he's feeling 100 per cent. since he started. The swimming world remembers Arthur as the mascot of the A.S.A. Diving Troupe in the old Domain days, and as many-times diving champion.

Sammy Block always reckons that John Dexter (not the old 'un) is one of the best race swimmers in the Club. He proved it, too, in a final when he gave his old rival Fred Harvie a second and received one from Norm Rogers, and won very nicely in what was, for him, rather slow time.

Handicapper Clive Hoole hasn't been so happy lately, as during the month he could only cut the handicaps of Cuth Godhard, Simon Voet and Alec McLelland. Looks as though he's got the boys where he wants them. Some of them say that every time Clive gets in a spot he sets sail for Surfers' Paradise for a week or more spell.

Best times of the month were: 17.6 and 18.1 by John Devitt; 20.1 and 20.7 by Carl Phillips; 20.3 by Norm Rogers; 21.3 and 21.4 by Bob Harris; and 21.5 (twice) by Dick Dowling.

Fuller Retains "B" Title

In retaining his "B" Grade title, Malcolm Fuller won a very hard-fought match against Bill Kirwan in the semi-finals. Both played excellent handball and, though Malcolm won in straight sets, this was by no means the measure of the game. It was close right up to the end, and Bill Kirwan lost none of his reputation through the defeat. By contrast, Malcolm had a fairly comfortable victory in his final with Max Sernack, who unaccountably showed form well below that which he had exhibited in reaching the final.

The matches leading up to the final of the "B" Grade Championship were full of interest and excitement. The semi-finalists were Max Sernack v. Bob Adams and Malcolm Fuller v. Bill Kirwan.

In the first match, Max Sernack proved to be just too good for Bob Adams, and he won the match in straight sets, 25/23, 25/15. The first set was a beauty. The players were evenly matched, and the scores indicate how close it was, with Max just getting the edge after four extra advantage games.

In the second set, Bob fell away somewhat, and Max clinched the match with a score of 21/15 to enter the final.

In the second match, Malcolm Fuller won, but only after a very hard contest. Bill Kirwan kept him right on the ball,

and the result was always in doubt. This also was a straight-set win.

The first set was very good. Malcolm and Bill played really fine handball, and it was anybody's set until the very last shot. The set went to Malcolm, 21/18.

If you think that the first set was good, then the second set was a "Bobby Dazzler." Bill Kirwan realized that he must win this set to keep in the match. He excelled himself, and fought for every shot and point right through the set. Malcolm also knew that if the third set was required to give a result anything might happen, as Bill seemed to be gaining in strength. As a result, he, too, gave everything he had. Well, the score speaks for itself—24/22 in Fuller's favour.

I cannot say who was the best player. The scores say Malcolm Fuller was the

winner, but they were so close that I must give great praise to Bill Kirwan for a mighty effort. This much is certain, they both gave a very fine display of handball and sportsmanship.

In the final, which was between Malcolm Fuller and Max Sernack, we saw Malcolm have a very comfortable victory in straight sets—21/10, 21/10. It is hard to judge sometimes how a man feels, but Max played way below the form he had shown in matches leading up to this final. No matter what he did, Malcolm had an answer to it, and also had some "aces" of his own. When he produced these "aces," Max just had no "trumps" to answer them with. After such brilliant semi-finals it was disappointing for Max to lose his form. Nevertheless we must give great praise to Malcolm for winning the event again this year, and to Max for getting into the final at his first attempt in "B" Grade.

This, then, concluded all the championship events for the 1960/61 season, and the full results are:—

"A" GRADE AND TATTERSALL'S CLUB HANDBALL CHAMPION

Winner: George McGilvray.
Runner-up: Bruce Partridge.

"B" GRADE HANDBALL CHAMPION OF TATTERSALL'S CLUB

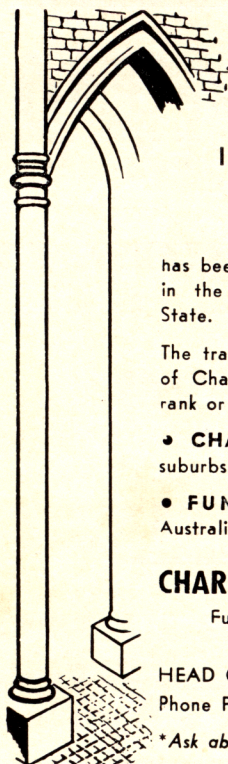

Winner: Malcolm Fuller.
Runner-up: Max Sernack.

"C" GRADE HANDBALL CHAMPION OF TATTERSALL'S CLUB

Winner: Jim Comans.
Runner-up: Dr. Les Bear.

Many thanks to the Handball Committee for their organization of these competitions, and also to those fellows who helped by umpiring the various matches—Sam Block, Fred Harvie, Eric Comrie-Thomson, Peter Lindsay, Bob Lipman, Colin Bowes, and there were others, also. Thanks a lot, chaps, for your assistance.

The only thing left now is the presentation of the prizes and the dinner. Peter Lindsay and Arthur McCamley have these matters in hand. They hope to arrange something very nice before the end of April. Appropriate notices will be posted around the Club soon, and any member wishing to attend will be welcome.

Annual Tournaments Start

By the time this magazine is in your hands, the Annual Billiards and Snooker Tournaments will be well under way and, judging from the interest shown in the events this year, they promise to be better than ever.

Members have shown more than usual interest in the billiards and snooker events this year, thus firmly establishing that the sport is gaining in popularity with each succeeding season. This is encouraging indeed, as your Committee have been endeavouring to bring more members to the tables, and now seem to be assured of success in this direction.

The "Calcutta news" is more than encouraging, and will undoubtedly add zest to the competition, with the old favourites still to the fore, but also with the likelihood of an "outsider" coming home to take out the winner's trophy.

All in all, we feel sure that members can look forward to a very interesting and exciting tournament.

The Inter-Clubs Billiards and Snooker Competition is scheduled to get under way in the next few weeks, and we have our first round match on June 1. This will be against the Schools Club, and is scheduled to be played at "home." We would ask all intending players to watch the notice board for further details of these events.

The Annual Meeting of the Tattersall's Billiards Club is due to be held during June, and all members will be notified of the final date through the mail.

June, also, is the month in which we will start our "Blitz Nights," so intending players should be ready for these interesting events.

The following are the handicaps for both the Billiards and Snooker Tournaments:—

CLUB BOWLERS SELECTED FOR EASTS

Noel Hough, Jack Kellaway, Cedric Emanuel and Harold Hill in district team

That Tattersall's bowlers are of a high standard is borne out by the fact that no less than four of them have been chosen to play for Eastern Suburbs. Hearty congratulations to these members of our Bowling Section.

April was a good month again in the Bowling Section. Good matches and very pleasant days were had by more than average attendances.

There was nothing outstanding in the performances, but the most noteworthy was the selection in the Eastern Suburbs Group of four Tattersall's bowlers, Noel Hough,

Jack Kellaway, Cedric Emanuel and Harold Hill being selected to represent in that Group.

It's always a stepping-stone to State honours, so Tattersall's bowlers are certainly on their way.

Regular Thursday roll-ups were the order of the month, but the writer, having been absent on most

days, has very little to report on them, as no cards were kept for me.

Final day on 27th April saw the initiation of two new members in Eric Wright and Jim McKell, nephew of Sir William McKell; also visitors in Jim Hoare, Jim Williams, and Terry Mackay from Suva.
